

Financial Cloud Customer Portal

Empower customers with self-service capabilities

Financial Cloud's Customer Portal is a fully integrated self-service account management platform. Designed to deliver personalised and convenient experiences, it empowers customers with end-to-end account management – from viewing details, making secure payments to adding third parties and completing key forms – without ever needing to speak to an agent.

Key Capabilities

Flexible Payment Management

Customers can easily adjust payment amounts, frequencies, and methods – supporting life circumstances and financial well-being.

Chat

Respond to enquiries quickly, reduce call queues and increase satisfaction.

Fully Integrated

Connects seamlessly to your CRM, payment systems, and other platforms for a single source of truth across your organisation.

Extended Self-Service Tools

Customers can add third parties, complete Income & Expenditure (I&E) forms, create budgets, and check benefit eligibility, without the need to speak to an agent.
